

Bellhousings and accessories

The offering of HBE bellhousings and accessories is ranging from rigid and damped bellhousings through NEMA adaptors, foot brackets and mounting flanges up to damping elements and gaskets.

For easy selection of the required bellhousing and type of coupling, the HBE P+Calculator is available free of charge.

More information on bellhousings and accessories can be found in our product catalogue. For detailed information and technical specifications, please contact our employees.
